RULEBOOK

1. Format

- a. Qualifying rounds will consist of four team games.
 - i. ***What are team games?*** Five players per team will complete individual/aka “singles” games. Substitutions are allowed midgame at any given frame. The player who started the game will receive credit for the final score. Once a player is substituted out he/she may not re-enter play within that game.
- b. Matchplay will consist of baker best of five-game matches.
- c. If there are 15 or fewer teams in a division four will advance to the bracket with best of five-game matches determining the winners. In the case that there are 16 or more teams in a division, eight teams will advance to the bracket with best of three-game matches determining the winners.

2. Teams

Rosters will comprise a minimum of five players and a maximum of eight players. The boy’s division is coed, thus girls may compete on a boy’s roster. Junior varsity entries will be accepted. Based on entry numbers tournament directors will decide whether they will be separated into divisions. There must be a minimum of six JV teams and eight varsity teams for a JV division to exist. If these requirements are not met the JV teams will compete alongside varsity.

3. Awards

The winning team in each division will earn a champion’s plaque. The top five individual boys and girls will be named to the All-Tournament Team. Each player will receive a medal.

4. Affiliation

This is not a USBC sanctioned event, nor does it associate with the BCAW.

5. Dress Code

Appropriate attire is required. An on-site tournament director will have discretion. Players must wear team jerseys and slacks. Girls may wear skirts/skortts but must be an appropriate length. All teammates must match.

6. Withdrawal

A full entry fee refund will be provided given that the withdrawal from the tournament is confirmed no later than two weeks prior to tournament day (Jan. 22). No refund will be provided after that date.

7. Entry Fee

The entry fee will be \$125 which will cover lineage, livestream fees, awards, and other expenses. Think of this as just slightly more than \$15 per player, given that there are eight to a roster. This could also be made up by the sale of 125 \$1 concessions items.

8. Rules in Question

In the case that there are any questions or rule discrepancies it will be left up to the tournament director's discretion. All tournament director decisions are final.
